Dear Mr. Hengerer,

Under the Maryland Public Information Act Title 4, I am requesting an opportunity to inspect or obtain copies of public records, including but not limited to e-mail communications, faxes and memos, from January 1, 2017 to present related to Facebook, Twitter, or any other social media platform for the Office of the Governor.

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$50. This information is not being sought for commercial purposes.

The Maryland Public Information Act requires a response to this request within 30 days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Sincerely,

Chuck Conner III
